

Leadership in Collaboration

An integrated programme aimed at developing effective leaders within individual organisations and across a group of collaborating organisations.

This programme focuses upon identifying the leadership and management needs of an organisation and meeting those needs by an integrated approach.

- Developing a consortium of organisations
- Confidential analysis of leadership and management needs of individual organisations

Leadership and Management Development is then progressed by:

- Mixing and matching the needs across the collaboration
- Sharing good practice
- Self help such as work shadowing, joint projects etc.
- Joint access to Leadership Development Programmes
