

Team Effectiveness

A two-day programme aimed at improving team performance and effectiveness

This module is very practical and focuses upon organisational climate. This is particularly suited to organisations where there have been changes in team membership and for organisations who are keen to enhance the effectiveness of existing teams.

This module involves the team working together in a variety of practical and work-related situations. It also includes:

- An analysis of climate
- Working through an organisational improvement process
- Whole Team Meetings
- Chairing Skills
- Sub-Group Workshops
- Team and Individual Goal Setting

It results in a team improvement agenda and action plans to **improve team performance**.
